Subject: Planning Commission - 1122 N Bewley Street
Date: Wednesday, July 08, 2020 6:26:10 PM

Good Day,

I wanted to write in support of the 1122 N Bewley Street project. I live in the Tribella neighborhood nearby. This area of Santa Ana could use the revitalization that comes with new development and as a homeowner I welcome the addition of new condominiums. I hope the city will consider approving even more projects for this portion of Santa Ana.

Thank you for your time,
Kathryn Zeimis
