I was trying to speak but couldn't get thru.

As I mentioned before, we live on 3rd street. Single Family Residence block. My parents bought their home in the late 60s. about 8-9 homes owned here are from family as well.

A few things that I'm apposed to:

- 1)The notice was sent very late
- 2) It was sent within a 500 foot radius, which is mostly Commercial. Of course most residents living in the area will Not be Aware.
- 3) Where did those 50 e-mails for this project come from? Certainly not residents that live in the area.

4) Santa Ana is the #2 Ranked most Dense city in California!

5) This is Too Many Units!!

This project will go thru.....Because Money Talks.

As a residents, we oppose this project.

Maria
