I am in support of the project at 1801 E. Fourth Street

Chair McLoughlin and Members of the Planning Commission,

My name is Lisandro, I am a homeowner in French Park. I wanted to express my support for the new housing project at 1801 E. Fourth Street. This vacant lot is a major entryway into the City from the 5 freeway and has been vacant for years. This new project will not only improve the visual aesthetics of this important entryway into the City but it will also add much needed housing. Yes, it is not affordable housing but we need to have a mix of both affordable housing projects and market rate projects to alleviate the pressure on the limited new housing stock in Santa Ana.

Finally, the architecture/design along First Street is fantastic.

Thank you,
Lisandro
