Subject: 2020-06-05 Agenda Item 2, 2510 Valencia Exterior Modification Application 2020-03

I fully support Marnie Schnabel in her request for the exterior modification to add a patio cover to the Northwest corner of her house. As you can tell by the current state of her house, she has done an outstanding job of improving and maintaining the historical significance of this property. I expect this will continue and the property will be a showpiece of Santa Ana.

Please approve this request.

Respectfully,
