

RESOLUTION NO. 2023-10

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SANTA ANA APPROVING CONDITIONAL USE PERMIT NO. 2023-11 AS CONDITIONED TO ALLOW THE ON-PREMISE SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES AT SHARINORI LOCATED AT 201 EAST FOURTH STREET.

BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA ANA AS FOLLOWS:

**Section 1.** The Planning Commission of the City of Santa Ana hereby finds, determines, and declares as follows:

- A. Brian Kim, representing ShariNori (Applicant), on behalf of East End Realty Partners I LP (Property Owner), is requesting approval of Conditional Use Permit (CUP) No. 2023-11 to allow the sale of alcoholic beverages for on-premise consumption (Type 41-Beer and Wine) at a proposed eating establishment located at 201 East Fourth Street.
- B. Santa Ana Municipal Code (“SAMC”) Section 41-196 and Section 41-2007 requires approval of a CUP for establishments wishing to sell alcoholic beverages for on-premise consumption.
- C. The establishment meets all required standards specified by Section 41-196 of the SAMC and ABC for the sale of alcoholic beverages for on-premises consumption by containing a full kitchen and a menu of hot and cold food items for purchase.
- D. On June 12, 2023, the Planning Commission held a duly-noticed public hearing on CUP No. 2023-11.
- E. The Planning Commission determines that the following findings, which must be established in order to grant a CUP pursuant to SAMC Section 41-638, have been established for CUP No. 2023-11 to allow the on-premise sale and consumption of alcoholic beverages at a proposed eating establishment located at 201 East Fourth Street .
  1. That the proposed use will provide a service or facility which will contribute to the general wellbeing of the neighborhood or community.

The proposed sale of alcoholic beverages for on-premise consumption at this location will provide an ancillary service to the eating establishment’s customers by allowing them to purchase alcoholic beverages with their meal. This will thereby benefit the community by providing an eating establishment with an additional and complementary food related amenity. Operational

standards applicable to the alcoholic beverage control (“ABC”) license and conditions of approval will mitigate any potential impacts created by the use and will ensure that the use will not negatively affect the surrounding community.

2. That the proposed use will not, under the circumstances of the particular case, be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity.

The proposed sale of alcoholic beverages for on-premise consumption at this location will not be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity because the operational standards applicable to the alcoholic beverage control license and conditions of approval will address any potential negative or adverse impacts created by the use. The subject establishment is surrounded by commercial land uses on the east, and south, as well as mixed-use residential to the west. The proposed use will have a minimal impact on residents. ShariNori will be established as a bona-fide restaurant and the addition of alcohol will be ancillary to the main use. All of the operational standards identified in SAMC Sec. 41-206 will apply to this establishment. Therefore, the granting of the CUP will not negatively impact any sensitive land uses that may be nearby.

3. That the proposed use will not adversely affect the present economic stability or future economic development of properties surrounding the area.

The proposed use will not adversely affect the economic stability of the area, but will instead allow the eating establishment to compete with other nearby eating establishments that offer a full selection of alcoholic beverages for sale to their customers. The alcohol license for on-premise sale and consumption will benefit the surrounding area, as the reinvestment on the commercial site will increase economic activity during additional business hours. Moreover, offering the sale and consumption of alcoholic beverages will allow the eating establishment to remain economically viable, thereby contributing to the overall success of the City.

4. That the proposed use will comply with the regulations and conditions specified in Chapter 41 for such use.

The proposed conditional use permit will be in compliance with all applicable regulations and operational standards imposed on an eating establishment selling alcoholic beverages for on-premise consumption pursuant to Chapter 41 of the SAMC. The facility will be maintained as a bona-fide eating establishment, having suitable kitchen facilities and supplying an assortment of

foods. Additionally, the eating establishment will utilize no more than five percent (5%) of the gross floor area for display and storage of alcoholic beverages, which is the maximum threshold established by the SAMC. In addition, operational standards will ensure the project remains in compliance with all applicable codes and regulations related to alcohol sales to ensure that the use does not impact neighboring properties or create an attractive nuisance.

5. That the proposed use will not adversely affect the General Plan of the city or any specific plan applicable to the area of the proposed use.

The proposed CUP will not adversely affect the General Plan. The project is located in the District Center-Medium High (DC-3) General Plan land use designation, which allows for distinctly urban retail, residential mixed-use, and employment centers that are well connected to public transportation. Additionally, this designation allows a mix of uses, including urban density condominiums, apartments, retail and commercial services. Mixed-use projects are allowed in both horizontal and vertical configurations. The granting of CUP No. 2023-11 supports several policies contained in the General Plan. Goal 2 of the Land Use Element ("LU") encourages a balance of land uses that meet Santa Ana's diverse needs. Policy 2.2 of the LU encourages a range of commercial uses to capture a greater share of local spending and offer a range of employment opportunities. Policy 2.7 of the LU supports land use decisions that encourage the creation, development, and retention of business in Santa Ana. Goal 3 encourages the preservation and improvement of the character and integrity of the existing neighborhoods and districts. Policy 3.7 of the LU supports the promotion of a clean, safe, and creative environment for Santa Ana's residents, workers, and visitors. Goal 4 supports a sustainable Santa Ana through improvements to the built environment. Lastly, Policy 4.1 of the LU encourages the promotion of complete neighborhoods by encouraging a mix of complementary uses, community services, and people places within a walkable area. The CUP will allow for additional service to Santa Ana residents and visitors, thereby positively contributing to the economic viability of the area by promoting local spending, offering employment opportunities, and providing a safe workplace. In addition, the eating establishment is located within an existing commercial area and its operations will be compatible with the surrounding commercial businesses.

**Section 2.** In accordance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines, the project is categorically exempt from further review per Section 15301 (Class 1 – Existing Facilities). Class 1 exemption applies to the operation, repair maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or

no expansion of existing or former use. The project proposes to allow the operation of an alcoholic beverage control license to sell alcoholic beverages at a bona-fide eating establishment. As such, a Notice of Exemption, Environmental Review No. 2023-52, will be filed for this project.

**Section 3.** The Applicant shall indemnify, protect, defend and hold the City and/or any of its officials, officers, employees, agents, departments, agencies, authorized volunteers, and instrumentalities thereof, harmless from any and all claims, demands, lawsuits, writs of mandamus, referendum, and other proceedings (whether legal, equitable, declaratory, administrative or adjudicatory in nature), and alternative dispute resolution procedures (including, but not limited to arbitrations, mediations, and such other procedures), judgments, orders, and decisions (collectively “Actions”), brought against the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof, that challenge, attack, or seek to modify, set aside, void, or annul, any action of, or any permit or approval issued by the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof (including actions approved by the voters of the City) for or concerning the project, whether such Actions are brought under the Ralph M. Brown Act, California Environmental Quality Act, the Planning and Zoning Law, the Subdivision Map Act, Code of Civil Procedure sections 1085 or 1094.5, or any other federal, state or local constitution, statute, law, ordinance, charter, rule, regulation, or any decision of a court of competent jurisdiction. It is expressly agreed that the City shall have the right to approve the legal counsel providing the City’s defense, and that Applicant shall reimburse the City for any costs and expenses directly and necessarily incurred by the City in the course of the defense. City shall promptly notify the Applicant of any Action brought and City shall cooperate with Applicant in the defense of the Action.

**Section 4.** The Planning Commission of the City of Santa Ana, after conducting the public hearing, hereby approves Conditional Use Permit No. 2023-11, as conditioned in Exhibit A, attached hereto and incorporated herein, for the project located at 201 East Fourth Street This decision is based upon the evidence submitted at the above-referenced hearing, including but not limited to: The Request for Planning Commission Action dated June 12, 2023, and exhibits attached thereto; and the public testimony, written and oral, all of which are incorporated herein by this reference.

2. The sale, service, and consumption of alcoholic beverages shall be permitted in accordance with the operational standards for on-sale establishments pursuant to Section 41-206(g) of the SAMC, in accordance with the provisions of an on-premise alcohol license by the California Department of Alcoholic Beverage Control (ABC), and in accordance with the site and floor plans attached to the staff report documenting the approved scope of the project.
3. The sale, service, and consumption of alcoholic beverages shall be limited from 7:00 a.m. to 12:00 a.m. (midnight) Monday through Sunday, unless modified through a subsequent and separate conditional use permit application for after-hours operations pursuant to SAMC Section 41-196(g)(3).

The on-duty manager's contact information shall be posted in a conspicuous location at the restaurant's front entry.
